Dear Ewa,

**Re: EIGA SUMMER SESSION, June 2014, Kraków, Poland**

We would like to take the opportunity to sincerely thank you for all your help in ensuring our conference at the Kraków Sheraton (and 'out of the house' programme) was such a success, with almost 140 participants attending this international event.

As we hope you could see, everyone was very satisfied with the event and we have received a number of compliments about the organisation.

We found your company to be consistently professional and efficient and an absolute pleasure to deal with. In particular, we would like to extend our sincere appreciation to Sara Lamik for her exceptional efforts.

You can be assured we would have no hesitation to wholeheartedly recommending you to anyone requiring similar services.

We would just like to thank you once again for your assistance in the planning of our Summer Session and we wish you and your staff every good fortune for the future.

With our warmest thanks and gratitude,

Yours sincerely,
