Letter of recommendation

Dear Madam, dear Sir,

on behalf of our management board I would like to express our sincere gratitude for the support with our VID **spring meeting 2014 in Krakow** from 1 to 3 May 2014. Also due to the professional assistance provided by Targi w Krakowie Ltd. it was an excellent experience for all one hundred participants.

In preparation of our annual gathering the agency provided a high quality DMC service. Targi prepared all accompanying activities connected with our conference such as conference facilities including venue rental and proper AV equipment, organising accommodation and transfers for participants, organisation of the evening events including entertainment programme as well an individual tourist programme.

All the activities were professionally planned and carried out, which was crucial in order to run our event smoothly. We do highly recommend Targi w Krakowie as a professional and effective event organizer.

Sincerely,

Dr. Daniel Bergner
