

8th WINEMAKING COMPETITION
FOR ENOEXPO® 2016 MEDAL

accompanying

14th International Wine Trade Fair ENOEXPO®

16th-18th November 2016, Krakow, Galicyjska St 9, Poland

International Wine Trade Fair ENOEXPO® in Krakow is the only professionally organised event dedicated to wine in Poland, which integral part is exciting rivalry in Winemaking Competition attended by many producers of wine from all around the world. For eight years the medal of International Wine Trade Fair ENOEXPO® has been prestigious sign of quality, demonstrating special taste and bringing commercial success in Polish market.

The Medal is admitted by the independent jury of industry experts. Every year a few hundred bottles are delivered to the organiser. It is possible to enter both: wine already available in Poland and also wine, which producers want to introduce to Polish market. It is essential to underline that in the Competition awarded is wine – not importers or producers. Moreover, it is possible to participate without becoming an Exhibitor of the Trade Fair.

The conditions of participation are: filling in form, delivering 3 wine samples in one category and completing the fee payment.
